SUBJECT: California Building Energy Efficiency Standards Code  
California Green Building Standards Code

As required by Section 17958 of the Health and Safety Code and Title 24 of the California Code of Regulations (CCR), starting September 1, 2016, Lassen County will begin enforcement of the most current editions of the California Building Energy Efficiency Standards Code (Title 24 of the CCR, Part 6) and the California Green Building Standards Code (Title 24 of the CCR, Part 11).

For complete information about the 2013 California Energy Standards effective in Lassen County September 1, 2016, and the changes to be effective January 1, 2017, visit the CA Energy Commission website at:
