

**IMPARTIAL ANALYSIS BY COUNTY COUNSEL  
COUNTY OF LASSEN MEASURE T**

This Measure T was placed on the ballot by the Lassen County Board of Supervisors and is an Advisory Measure only, the result of which is not binding on this Lassen County Board of Supervisors or any subsequent Lassen County Board of Supervisors. The Board of Supervisors will not be required to take any action as a result of the vote on this Measure.

This Measure seeks the input from Lassen County voters as to whether or not they support the establishment of the office of Director of Finance, which would consolidate the offices of Lassen County Auditor, Controller, Treasurer and Tax Collector.

Pursuant to California Government Code Section 26980, a board of supervisors of any county may establish the Office of Director of Finance. The Director of Finance would result in the consolidation of the offices of Auditor, Controller, Tax Collector, and Treasurer. The Director of Finance would possess all the power and duties of such offices consolidated in addition to any other duties as directed by the Board of Supervisors. The offices of Lassen County Auditor, Controller, Tax Collector and Treasurer would be replaced by the newly established office of Director of Finance.

The California Attorney General has rendered an opinion that the office of the Director of Finance is to be appointed rather than elected since there is no such elected position allowed by statute. Currently, the offices of the Lassen County Auditor/Controller and Treasurer/Tax Collector are elected positions.

What does a YES vote mean?

A "yes" vote will show voter approval for the establishment of the office of Director of Finance which would consolidate the offices of Lassen County Auditor, Controller, Treasurer, and Tax Collector.

What does a NO vote mean?

A "no" vote will show voter opposition of the establishment of the office of Director of Finance which would consolidate the offices of Lassen County Auditor, Controller, Treasurer, and Tax Collector.

This Impartial Analysis is hereby submitted to the Elections Official in conformance with Section 9160 of the Elections Code of the State of California.
