FOR IMMEDIATE RELEASE

SUBJECT: Lassen County Departments Operational Status

Lassen County is making all reasonable efforts to provide essential services to residents and businesses on an uninterrupted basis. Essential county services remain open during Lassen County’s response to the COVID-19 (novel coronavirus) pandemic. The County would like to encourage residents and business owners conducting business with County departments to take necessary precautions by limiting in person contact. During the Governor’s stay-at-home order, residents are encouraged to contact County departments by telephone. Where in-person appointments are necessary, follow strict adherence to the California Department of Public Health guidelines for social distancing. The operational status and contact information for county offices is attached, and the County’s webpage is www.co.lassen.ca.us.

The Lassen County Public Health Department and the Lassen County Office of Emergency Services will provide information to the public from the Emergency Operations Center on the website: lassencares.org. If you believe you need to be tested please call the Lassen County COVID-19 Call Center at **(530) 251-8100** Mon. through Fri. 8:00am to 5:00pm.

Tony Shaw
Deputy County Administrative Officer
